She's slammed. Maybe send me name, title, estimated time of arrival, etc. and I will share info with wider team? I'm sure there will be people handling officials.

Makes good sense for CO to go. Do you want to? Or you could plug in virtually into the PIO group.

Joan,

Is there an Ag contact who is coordinating communication with Ag folks at the command center?

Colorado dept Ag thinking about sending someone to do canvassing of Ag needs (animal watering, feed, irrigation water, etc.) if they send someone today who do they coordinate with at the command center?

Thanks!
